

1. Draw the margins as per the following drawing and draw the title block. [10 marks]

65	10	NAME		7
	10	INSTITUTE		
	10	ROLL No.	TUT. GROUP:	
	10	SHEET No:	DATE:	
		TUTORIAL TITLE		
		50		
		80		
		160		

2. Write the following lines (*a* and *b*) in single-stroke vertical letters. Consider the height of capital letters as 8 mm. [15 marks]
- FINE LETTERING MAKES FINE DRAWING
  - He Who Hesitates Is Lost

3. Learn the elements of dimensioning and draw the following figure on the drawing sheet neatly and label it properly. [10 marks]

4. An area of  $100 \text{ km}^2$  has to be represented by an area of  $4 \text{ mm}^2$  on a map. Draw a diagonal scale that is long enough to measure 700 km. Mark 343 km on the scale. [15 marks]
